The Agency

SLICE is digital ecosystem designed to connect brands with their audiences through innovative and engaging strategies.

We create content with Talents for brands.

Its positioning is built on three key pillars:

- **Content**
Creation and distribution of impactful content tailored to new consumption habits.
- **Influencer Marketing**
Activation of relevant content creators to strengthen brand-consumer proximity.
- **Studio**
Production and staging of custom creative formats.

With these expertises, SLICE stands out by delivering powerful cross-media solutions optimized for various sectors (mobility, food, non-food, leisure, telecom, etc.).

The goal is to create an authentic connection between brands and their target audiences, leveraging data-driven insights and a network of influential partners.

The Slice Agency use the connections with the Belgian Saleshouse RMB.

Profile

Who is Luxleseul x Lucas?

Lucas is a rising content creator who started barely a year ago and quickly became the “François l’Embrouille” of his generation. With his bold, offbeat humor, he has built a loyal community across TikTok, Instagram, and now YouTube where he reached 10k subscribers in just 60 days.

His videos regularly go viral, many surpassing millions of views. If you’re looking for an influencer who can capture attention through humor and authenticity, Lucas is the perfect fit. He champions spontaneity, kind-spirited humor, and genuine social connection, choosing partnerships that align with his playful yet respectful tone and favoring brands that share his human and accessible approach to content. Close to his audience, he cultivates an image that is both sincere and entertaining.

KEY SECTORS

- Food & Drinks
- Telco
- Entertainment
- Retail & FMCG

Brands seeking authenticity, approachability and content rooted in real-life situations naturally align with Luxleseul.

Luca's pranks conce

Slice

Concept

Using a mix of hidden cameras, direct interactions, props, and comedic timing, he captures authentic public reactions, making his content engaging and shareable. His videos are edited with fast cuts, text overlays, and sound effects to enhance humor and keep viewers engaged.

Ranked #1 in Comedy in Belgium on TikTok, Luxeseul maintains a strong connection with his audience through frequent posting and direct engagement. His ability to craft lighthearted, relatable pranks with a strong storytelling element has made him one of Belgium's most recognizable digital pranksters.

Why working with Lucas ?

Lucas AKA Lux turns real-life moments into highly watchable content. Hidden camera, street interviews, humor, exaggeration, social experiments ; he captures raw, authentic reactions and transforms them into videos with exceptional retention.

What makes him stand out ?

- Instant, naturel on-camera energy
- A spontaneous, human, fast-paced style
- A rare talent for getting strangers to react within seconds
- Content that's fun, real and brand-safe

Why brands love working with Lux : he brings your brand into real situations, the kind people actually talk about. He makes simple ideas entertaining, relatable and incredibly shareable.

Working with Lux means you get :

- Strong visibility among a young and highly engaged audience
- Content that feels organic, not like an ad
- Authentic reactions that boost memorability
- Higher reach thank to natural virality

Available for :

- Branded hidden camera concepts
- Safe pranks
- Themed street interviews
- Positive social experiments

Got a message ?

Lux gets the reaction.

Got a product ?

Lux puts it into a moment people can't ignore.

Need visibility ?

Lux creates content that people want to share.

Why YouTube?

Spontaneous reactions

Videos capture natural reactions from participants, reinforcing authenticity.

Long-term visibility

A YouTube video remains visible for a long time, thanks to the algorithm that recommends videos based on engagement (likes, comments) and user interests. This enables the video to reach diverse audiences. This diversity of formats enables the brand to reach a wide range of segments.

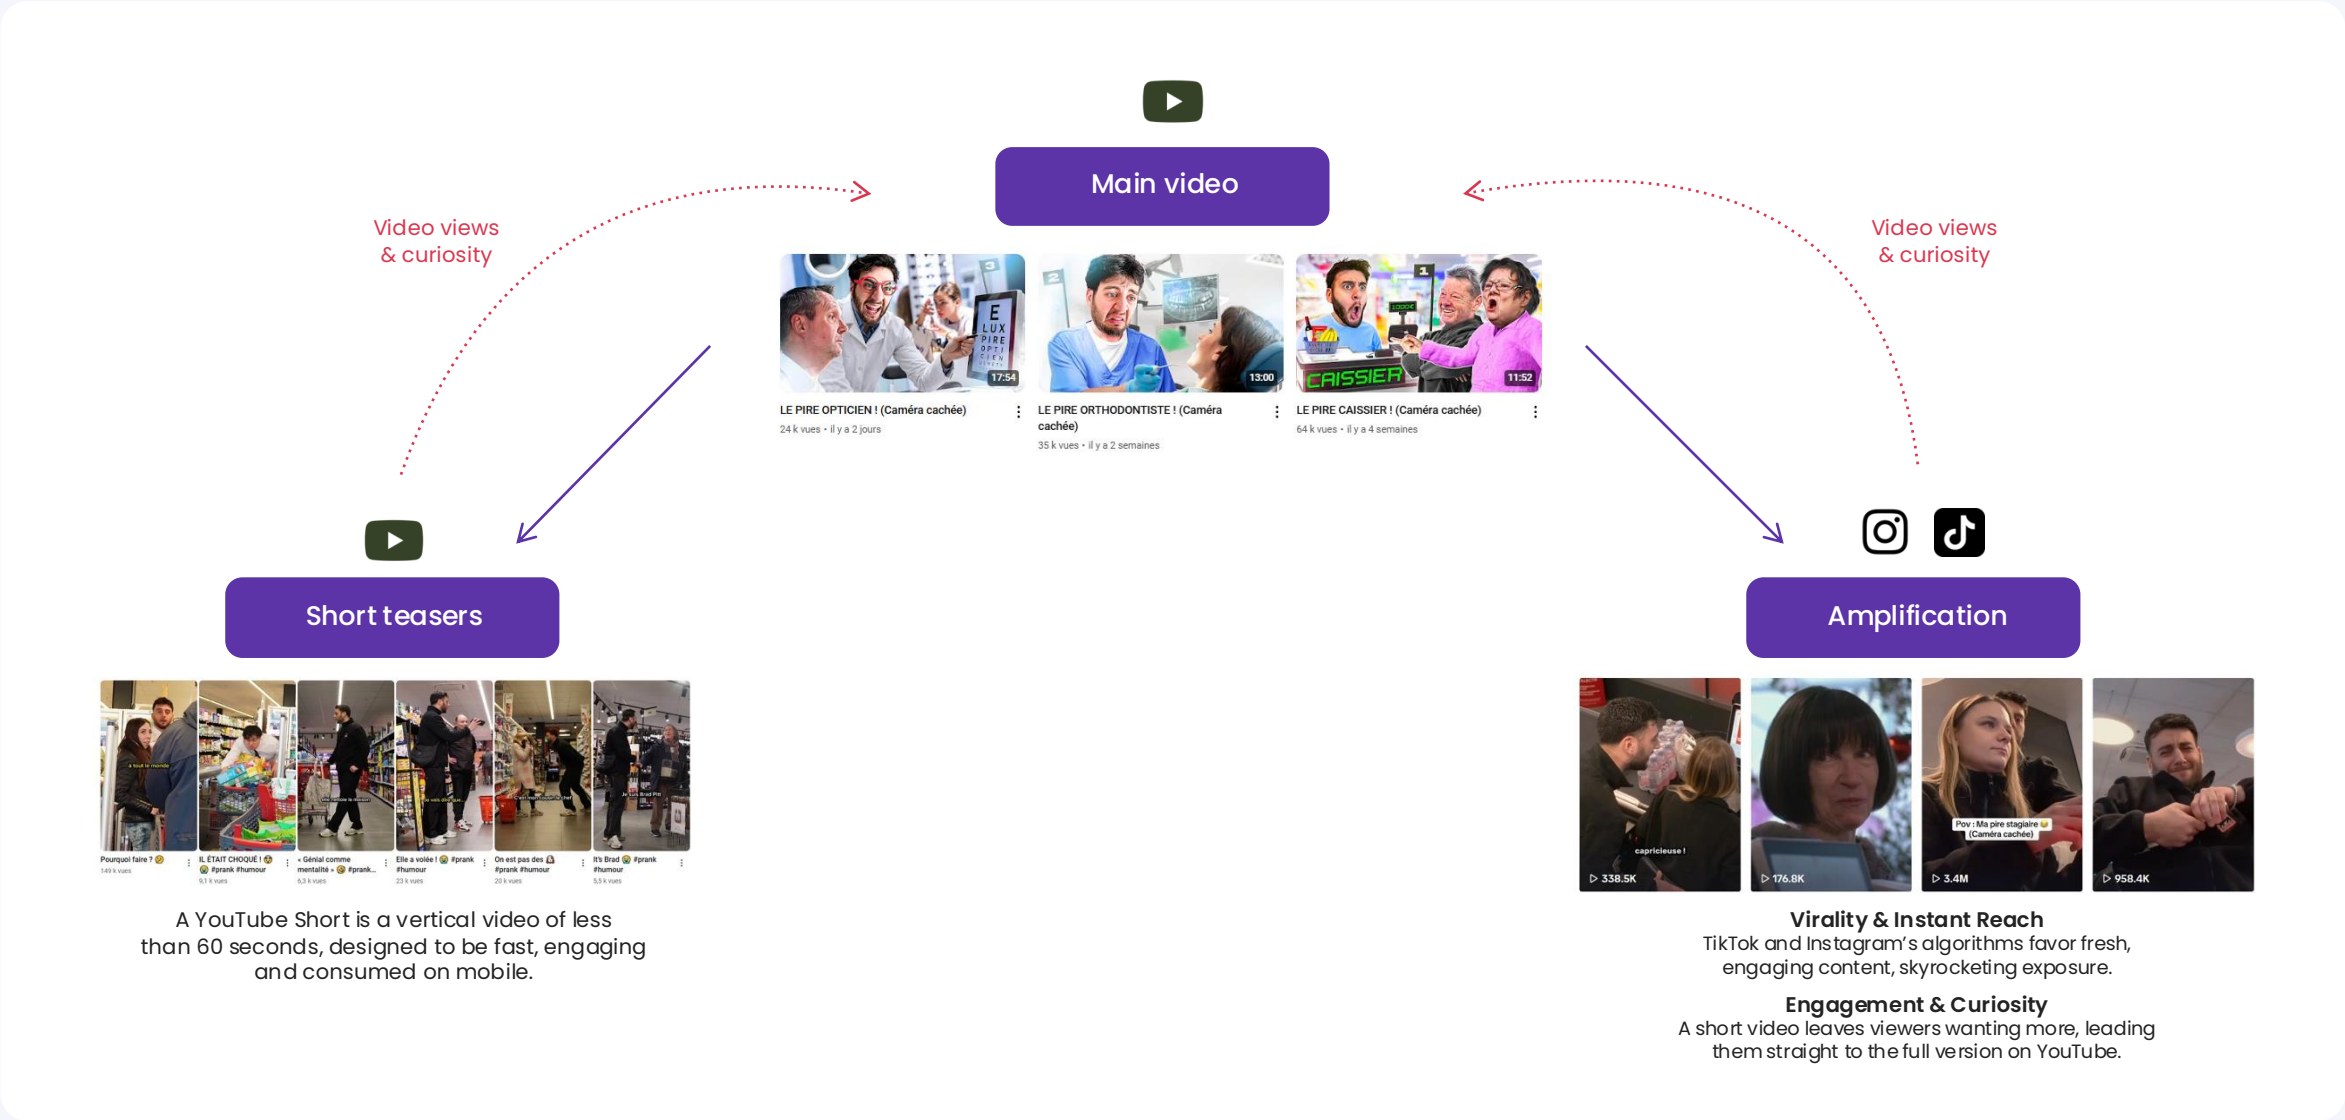

High engagement

Hidden cameras generate numerous reactions, and therefore a high rate of engagement, with regular shares and comments.

Sponsor integration

- Product placement: The brand is naturally integrated into the scenario
- Partner Logo thanks in video
